

**Connecting hearts, hands and minds so every community thrives**

*NCL, Inc. Vision*

## ***Ticktocker Inspire Innovation Fund***

***“You can either see yourself as a wave in the ocean or you can see yourself as the ocean.” – Oprah Winfrey***

National Charity League, Inc.'s “Inspire Innovation Fund” is designed to support our youngest female members (grades 7-12) with the power to change the tide. Imagine the potential of a young girl’s passion translated into action. Then imagine the results for years to come as this experience translates into future leadership and service. When young women are inspired, a sea of opportunity is created, and lives change.

Being inspired to have the freedom to try new things creates a foundation for future leaders and philanthropists. Young women practicing leadership and exploring new ideas set a mighty stage for lifetime success.

## ***The Opportunity is Here!***

This is a bold effort to support our youngest members’ practice of philanthropy by turning their most inspiring dreams into action. The fund will provide competitive grant funding to National Charity League’s chapters, through our Ticktocker Councils, to bring fresh program ideas forward in the areas of leadership, philanthropy, and culture. Each year, our young women’s most innovative concepts will be submitted and funded with the intention of turning the very best ideas into reality.

## ***The Goal: Empowerment Multiplied***

Through the generosity of a \$250,000 anonymous challenge match gift, we seek to raise the additional \$250,000 by December 2025. Every dollar raised will be doubled through this generous match. Imagine the power of the multiplier effect. With your investment, we will achieve our goal of establishing a \$500,000 fund that inspires innovation and leadership in local communities through our local chapters.

## ***Join us***

Will you help us to empower the voice and action of young women? This experience will not only shape the future of our organization and the communities we serve, but also the lives of those who are willing to support young women to make this fund a reality.

## ***How to Get Involved***

You can invest in the Inspire Innovation Fund in the following ways:

- Annual financial gifts
- Multi-year pledges
- Gifts of stocks or appreciated assets
- Corporate funds and grants

If you are a member, challenge others by setting up a peer-to-peer campaign, a chapter challenge campaign, or creating an event with the proceeds directed to the fund. If you represent a business, community, trust, or foundation, your brand will greatly benefit from the benevolent association of supporting young women's leadership across the nation.

Anything is possible as long as you are inspired to help us reach our goal of raising \$250,000 to achieve the match! Distributions from the fund will be made annually, based on our fundraising success.

### ***About National Charity League***

As we near our 100th anniversary year in 2025, we are proud of the generational philanthropic impact our mother and daughter members have accomplished to connect hearts, hands and minds so that every community thrives.

By bonding mothers and their daughters in experiences involving culture, leadership and philanthropy programs, our members make life-changing, hands-on contributions to their communities. At close to 300 chapters and over 200,000 members and alumnae, we support more than 6,000 philanthropies, resulting in a national annual \$78 million-dollar impact.
