NATIONAL CHARITY LEAGUE, INC. FORMS NEW CHAPTERS IN LUCAS, TX, FRIENDSWOOD, TX, AND SANDY SPRINGS, GA

COSTA MESA, CA (June 8, 2020) – [National Charity League, Inc.](http://NationalCharityLeague.com) (NCL), the nation's premier mother-daughter non-profit organization, announced the formation of three new chapters: two chapters in Texas (Lovejoy Chapter and Bay Area Chapter) and one chapter in Georgia (Sandy Springs Chapter). These three additions bring the total number of chapters in the organization to 282. All three chapters formed virtually amidst COVID-19.

The first of the three chapters to form was the Lovejoy Chapter near Lucas, Texas, on May 15th. Lovejoy Chapter is open to mothers and daughters who reside in or attend school in the Lovejoy ISD area. This chapter joins 14 other chapters in the North Dallas area, including the Allen Chapter, Eastern Star Chapter, and Sunflower Chapter. The existing chapters served over 60,000 philanthropy hours last year and hope to contribute more this year.

In addition to participating in national philanthropic initiatives, the chapter's inaugural members will have the opportunity to choose which local organizations they will support through hands-on volunteer service hours. Daughters in 7th through 12th grade, known as Ticktockers, and their mothers, known as Patronesses, will together embark on a core program focused on philanthropy, strengthening mother-daughter relationships, cultural experiences, and leadership opportunities.

Chapter President, Beth Gable said, "I'm really looking forward to watching the girls grow into young women, watching them help other people and help their community, and seeing how that makes them grow into amazing leaders and wonderful young women."

The Bay Area Chapter, the 281st chapter, formed in Friendswood, Texas, on May 31st. The Bay Area Chapter is open to mothers and daughters who reside in or attend school in the Friendswood ISD, the Clear Creek ISD, or the immediate surrounding areas. With the addition of this new chapter near Houston, the total number of NCL members in Texas is over 29,000.

"I'm excited to unite with this group of ladies to form a new chapter and help share the NCL organization with more mothers and daughters in our area. Being able to help serve the needs of our community while volunteering alongside our daughters and encouraging their leadership development is a wonderful opportunity. I'm looking forward to enjoying all the experiences and traditions that NCL has to offer," said Chapter President, Dacquiri Sperry.

Last year, the existing 9 chapters in Georgia served over 75,000 philanthropy hours to their local philanthropy partners.
