TEXAS**

**Dallas, Texas (September 7, 2021)** – [National Charity League, Inc.](https://www.nclonline.org) (NCL), the nation's premier mother-daughter non-profit organization, announced the formation of the White Rock Lake Chapter. With the addition of the White Rock Lake Chapter, NCL now has 287 chapters across the country.

The White Rock Lake Chapter is open to mothers and daughters who reside in or attend school east of US 75, south of I-635, and north of I-30. This chapter brings the total number of chapters in Dallas to 28. Members in Dallas, TX, served over 132,877 philanthropy hours in the 2020-2021 year. With the addition of the White Rock Lake Chapter, they hope to make an even greater impact on their local communities.

In addition to participating in national philanthropic initiatives, the chapter's inaugural members will have the opportunity to choose which local organizations they will support through hands-on volunteer service hours. Daughters in 7<sup>th</sup> through 12<sup>th</sup> grade, known as Ticktockers, and their mothers, known as Patronesses, will together embark on a core program focused on philanthropy, strengthening mother-daughter relationships, cultural experiences and leadership opportunities.

Chapter President Pam Shoults said, "It's an honor to be a founding member of the White Rock Lake Chapter of NCL. I am extremely thankful for the women who jumped in with me to make this chapter a reality. We are so excited to serve the community of Dallas alongside our daughters."
